

Brands and Technology Partners

Trusted Brands

Hytoma Automation LLP offers products from trusted global brands and its own V-iSmart brand.

V-iSmart

V-iSmart is Hytoma's own brand. Products are imported, customized, and offered under the V-iSmart brand to provide reliable and high-quality smart home solutions.

Tuya Smart Technology

Many Hytoma products are powered by Tuya Smart technology and support advanced smart home automation features.

Smart Home App Support

Most products support the Smart Home App for remote access and control.

Voice Assistant Support

Compatible with:

- Amazon Alexa
- Google Assistant
- Apple Siri

Smart Features

- Mobile App Control
- Remote Access
- Voice Control
- Scheduling
- Smart Automation
- Scene Control

Technology Philosophy

Hytoma focuses on delivering intelligent, user-friendly, and reliable automation products that make smart living simple.
