

Payment Policy

Accepted Payment Methods

Hytoma Automation LLP accepts all major payment methods including UPI, cash, bank transfers, credit cards, debit cards, net banking, and digital payment options.

Advance Payment Policy

A small token amount is required to confirm the order. In most cases, 75% advance payment is required before installation. Terms and conditions apply.

EMI Availability

Currently, EMI options are not available.

Cash on Delivery (COD)

Cash on Delivery is generally not available. However, for large purchases, customers may contact Hytoma to discuss available options.

GST Invoice

GST invoices are provided to customers.

Refund Policy

Refunds are generally not available. However, exceptional situations may be considered at the discretion of Hytoma Automation LLP.

Custom Projects

Advance payment is mandatory for custom projects.

Installation Charges

Installation charges are separate and are not included in product prices.

Transportation and Travel Charges

Transportation or travel charges depend on the location. In most cases, no additional charges are applied.

Important Note

All payment policies are subject to terms and conditions.
