

Warranty Policy

Warranty Period

Most Hytoma products come with a 3-year warranty. Warranty duration may vary depending on the product. Terms and conditions apply.

Warranty Coverage

The warranty covers manufacturing defects and installation-related defects.

Warranty Exclusions

The warranty does not cover:

- Physical damage
- Human-caused damage
- Water damage
- Damage caused by improper usage

Repair and Replacement Policy

Depending on the situation, Hytoma may provide repair or replacement services. In certain cases, a nominal service charge may apply.

Proof of Purchase

Customers are required to provide a warranty card and proof of purchase when claiming warranty services.

On-Site Warranty Support

On-site service is available during the warranty period.

Post-Warranty Support

Paid service support is available after the warranty period expires.

Lifetime Technical Support

Lifetime technical support is available. Service charges may apply depending on the support requirements.

Important Note

All warranty claims are subject to terms and conditions.
